Emi Bossio of Peacock Linder Halt & Mack named as one of 2018's Top 25 Women in Litigation by Benchmark Litigation

Benchmark Litigation has recognized Emi Bossio as one of the Top 25 Women in Litigation in its annual ***Top 25 Women in Litigation*** publication. Bossio is an Alberta -based litigator with Peacock Linder Halt & Mack.

The Top 25 Women in Litigation publication's extensive research process, which encompasses six months of investigation into the individual litigators' professional activities as well as client feedback surveys and individual interviews, has culminated in the selection of the most distinguished women in the world of litigation. These women have earned their place amongst the leading female litigators by participating in some of the most impactful litigation matters in recent history as well as by earning the hard-won respect of their peers and clients. Though they hail from widely different practice areas, they all share the distinction of being recognized as top players in their respective fields.

Listed in the Canada section of the ***Top 25 Women in Litigation*** publication, Benchmark Litigation has this to say about Bossio:

Emi Bossio is regarded as "an heir apparent" at revered Calgary litigation boutique Peacock Linder Halt & Mack. Bossio successfully obtained summary judgment with respect to significant precedent-setting oil-and-gas contractual interpretation case, valued at \$6 million, for an operator of an oil and gas plant. Bossio was also co-counsel on international arbitration involving oil and gas rights valued at over \$1 billion. She was also lead counsel on several commercial litigation disputes with respect to two separate oil and gas projects, each valued at over \$400 million. "With so many female litigators in Calgary going in-house or to the bench, the stage is set for someone like Emi to not only fill that vacuum but dominate in this capacity," speculates one peer.

Attorneys named to the 2018 publication were chosen through several phases of research: namely, the review of their recent case work, peer review in which we consider how attorneys at peer legal institutions might rank them, and a consideration of client feedback on their performances.

In addition to this honor, Peacock Linder Halt & Mack also enjoys a number of firm-wide rankings and further individual attorney recognition by Benchmark Canada. For more information please see here: <https://www.benchmarklitigation.com/firms/peacock-linder-halt-and-mack/f-1765>
