Benchmark Litigation has recognized Linda Rothstein as one of the Top 25 Women in Litigation in its annual *Top 25 Women in Litigation* publication. Rothstein is an Ontario -based litigator with Paliare Roland Rosenberg Rothstein.

The Top 25 Women in Litigation publication's extensive research process, which encompasses six months of investigation into the individual litigators' professional activities as well as client feedback surveys and individual interviews, has culminated in the selection of the most distinguished women in the world of litigation. These women have earned their place amongst the leading female litigators by participating in some of the most impactful litigation matters in recent history as well as by earning the hard-won respect of their peers and clients. Though they hail from widely different practice areas, they all share the distinction of being recognized as top players in their respective fields.

Listed in the Canada section of the *Top 25 Women in Litigation* publication, Benchmark Litigation has this to say about Rothstein:

Linda Rothstein, name partner of lauded Toronto shop Paliare Roland Rosenberg Rothstein, acted for the College of Opticians of Ontario and the College of Optometrists of Ontario in a successful application for an injunction prohibiting Clearly Contacts from dispensing corrective eyewear in Ontario without employing a person licensed to do so. The decision is under appeal, which will be heard in September 2018.

Attorneys named to the 2018 publication were chosen through several phases of research: namely, the review of their recent case work, peer review in which we consider how attorneys at peer legal institutions might rank them, and a consideration of client feedback on their performances.

In addition to this honor, Paliare Roland Rosenberg Rothstein also enjoys a number of firm-wide rankings and further individual attorney recognition by Benchmark Canada. For more information please see here:
