Penny Shane of Sullivan & Cromwell named as one of 2018's Top 250 Women in Litigation by Benchmark Litigation

Benchmark Litigation has recognized Penny Shane as one of the Top 250 Women in Litigation in its annual ***Top 250 Women in Litigation*** publication. Shane is a New York-based litigator with Sullivan & Cromwell.

The Top 250 Women in Litigation publication's extensive research process, which encompasses six months of investigation into the individual litigators' professional activities as well as client feedback surveys and individual interviews, has culminated in the selection of the most distinguished women in the world of litigation. These women have earned their place amongst the leading female litigators by participating in some of the most impactful litigation matters in recent history as well as by earning the hard-won respect of their peers and clients. Though they hail from widely different practice areas, they all share the distinction of being recognized as top players in their respective fields.

Listed within the Northeast-New York section of the ***Top 250 Women in Litigation*** publication, Benchmark Litigation has this to say about Shane:

Penny Shane of Sullivan & Cromwell specializes in financial services, securities, and class action litigation. Shane and her team recently obtained the dismissal—for the second time—of an antitrust class action alleging multiple financial institutions conspired to manipulate the Singapore Interbank Offered Rate and the Singapore Swap Offer Rate.

Attorneys named to the 2018 publication were chosen through several phases of research: namely, the review of their recent case work, peer review in which we consider how attorneys at peer legal institutions might rank them, and a consideration of client feedback on their performances.

In addition to this honor, Sullivan & Cromwell also enjoys a number of firm-wide rankings and further individual attorney recognition by Benchmark Litigation. For more information please see here:
