**Kathi Vidal of Winston & Strawn named as one of 2018's Top 250 Women in Litigation by Benchmark Litigation**

Benchmark Litigation has recognized Kathi Vidal as one of the Top 250 Women in Litigation in its annual **Top 250 Women in Litigation** publication. Vidal is a California-based litigator with Winston & Strawn.

The Top 250 Women in Litigation publication's extensive research process, which encompasses six months of investigation into the individual litigators' professional activities as well as client feedback surveys and individual interviews, has culminated in the selection of the most distinguished women in the world of litigation. These women have earned their place amongst the leading female litigators by participating in some of the most impactful litigation matters in recent history as well as by earning the hard-won respect of their peers and clients. Though they hail from widely different practice areas, they all share the distinction of being recognized as top players in their respective fields.

Listed within the West-California section of the **Top 250 Women in Litigation** publication, Benchmark Litigation has this to say about Vidal:

**Kathi Vidal is the managing partner of the Silicon Valley office of Winston & Strawn. She is recognized for her expertise litigating high-stakes patent disputes within numerous industry sectors. She was a member of the lead counsel team successfully representing the Chamberlain Group, who won a permanent injunction blocking the sale of connected garage door openers. In addition to the permanent injunction, treble damages and attorneys' fees were awarded.**

Attorneys named to the 2018 publication were chosen through several phases of research: namely, the review of their recent case work, peer review in which we consider how attorneys at peer legal institutions might rank them, and a consideration of client feedback on their performances.

In addition to this honor, Winston & Strawn also enjoys a number of firm-wide rankings and further individual attorney recognition by Benchmark Litigation. For more information please see here:
